Hardening Improvements

Protection

No website application firewall detected. Please install a cloud-based WAF to [prevent website hacks and DDoS attacks](#). Consider creating an SPF record [to prevent spammers from abusing your email address](#). If you don't send any emails from this domain, please use `v=spf1 -all`

Security Headers

Missing security header for [ClickJacking Protection](#).
Alternatively, you can use [Content-Security-Policy: frame-ancestors 'none'](#).
Missing security header [to prevent Content Type sniffing](#).
Missing [Strict-Transport-Security](#) security header.
Missing [Content-Security-Policy directive](#). We recommend to add the following CSP directives (you can use default-src if all values are the same): script-src, object-src, base-uri, frame-src
